AORN MISSION STATEMENT
The mission of the Association of periOperative Registered Nurses (AORN) is to promote safety and optimal outcomes for patients undergoing operative and other invasive procedures by providing practice support and professional development opportunities to perioperative nurses. AORN will collaborate with professional and regulatory organizations, industry leaders, and other health care partners who support the mission.

AORN MEMBERSHIP
You are the difference in safe patient care and are critical to the profession and perioperative suite. Your patients count on you to have their back. As a member, you can count on AORN to support your personal and professional development by providing tools and resources that help you keep your edge and stay connected to important clinical issues. Think of us as your trusted, go-to perioperative partner who has your back, year after year.

• Deliver Excellence: Guideline Essentials help you implement the AORN Guidelines efficiently and effectively with easy-to-use online tools, including how-to videos, case studies, key takeaways, Guidelines at a Glance, and more
• Expand Your Knowledge: Award-winning AORN Journal (now with monthly podcasts) and digital newsletters
• Go Further: Free career coaching, free résumé critique, job search opportunities, salary calculator and survey, and Center for Nursing Leadership
• Get Involved: Local Chapters, Specialty Assemblies, State Councils, ORNurseLink online community, and volunteer opportunities
• Strengthen Patient Care: Tool Kits, clinical FAQs, clinical nursing consultation, and ambulatory resources
• Stay Ahead: Free Journal CE with more than 200 CHs, webinars (live and recorded), and ANA Affiliate Membership
• Make an Impact: State lobbying and representation in Washington, DC; health policy news and trends; and advocacy training, tools, and action steps
• Spend Wisely: Save 25% or more on most products, including education, events, books, AORN Global Surgical Conference & Expo registration, and more
